To whom this may concern,

We take great pride in sharing our appreciation for the admirable support and volunteerism that Sarah Kim has offered to our organization, over the past four years. She has been an exceptional attribute to our youth leadership cadet program in the creation of The UCC Sarah Kim's Scholarship Award. Sarah's unyielding commitment in representing, as a positive role model to younger school age students, was the motivation behind her developing this phenomenal incentive for excellence.

Sarah has served as one of our youth judges at The Little Miss UCC Pageant & The UCC Black History Talent Show Competition, she was appointed as a co-chairperson to serve as an officer of The UCC International Youth Commission, Sarah also was instrumental in assisting with our new building initiative press release & fundraising campaign. Lastly, Sarah's genuine compassion for encouraging adolescent age students, of the importance of having a vision, to plan their work & work their plan has been her primary goal, in empowering through her scholarship paradigm. She has an outstanding track record, which constitutes her belief, in our life-long mission; "Save The Children, The Children Are The Future".

Sarah is indeed a wonderful asset to our organization and we are extremely fortunate to be blessed with her tenacious insight & selflessness. We are confident that she possess a promising future and will become a dynamic, productive leader in our society. Please feel free to contact my office for any additional information.

Respectfully Submitted,
