Dear Supporters, Family and Friends,

The Unity Community Center of S.J. Inc., Camden, New Jersey, is a non-profit organization founded in 1983. Our purpose is to help at-risk communities and surrounding communities through educational, discipline, recreational and developmental programs. We highlight our successful programs through the performing arts. We specialize in programs that will improve academic excellence and reestablish the values of family life.

Our involvement of inner-city youth in the **arts, after-school education and discipline programs** has resulted in the Unity Community Center of S.J. Inc., becoming a dynamic model for leadership development while representing the beauty of the performing arts all over America and abroad.

Please help us to continue our work in helping more youth and families. All donations are 100% tax deductible and we appreciate your support financially as well as in-kind donations. Please visit our web-site at www.UnityCommunity.com for further information.
